2014	46	5
2013	46	2
2012	72	5
2011	0	0

**Concordia University School of Law's Scholarships are only conditional on being in good academic standing, which requires maintaining a 2.0 grade point average. Scholarships are prorated based on the number of credits a student takes in a given term, and students who are placed on Academic Probation at any time during their enrollment still receive their scholarships. The lost scholarships listed in the table above are for students who were academically dismissed.**
